MACMILLAN
CANCER SUPPORT

Please complete the checklist below when your study is complete. The end of the study is defined as when a paper has been accepted for publication or, 12 months after receipt of the dataset, at the discretion of the MSRG Director or project Chief Investigator.

Please send the completed form to msrg@soton.ac.uk.

CHECKLIST

Name of principal applicant:

Title of project:

MSRG dataset:

I have returned the dataset to MSRG including any derived variables

All local copies of the dataset have been deleted

Signature: _____

Date: _____
