Dear Professor Foster,

Thank you for submitting an amendment to your project.

If you have participating NHS/HSC organisations in any other UK nations that are affected by this amendment we will forward the information to the relevant national coordinating function(s).

Please note that you may only implement changes described in the amendment notice.

What Happens Next?

Information Specific to Participating NHS Organisations in England

1. You should now share details of the amendment and, if applicable, your amended documents, together with this email, with participating NHS organisations in England that are affected by this amendment. In doing so, you should include the [NHS R&D Office](#), [LCRN](#) (where applicable) as well as the local research team. A template email to notify participating NHS organisations in England is provided on the [HRA website](#).
2. You do not need to share with participating NHS organisations in England that are not affected by this amendment.
3. The participating NHS organisations in England that are affected by this amendment should prepare to implement.
4. Your amendment has been assessed against [HRA standards](#). **This email also constitutes HRA Approval for the amendment, and you should not expect anything further from the HRA.**
5. You may implement your amendment at affected participating NHS organisations in England 35 calendar days from the day on which you provide the organisations with this email and your amended documents (or as soon as the participating NHS organisation confirm that you may implement, if sooner). **NHS organisations do not have to confirm they are happy with the amendment.**
6. You may not implement the amendment at any participating NHS organisations in England that requests additional time to assess, until it confirms that it has concluded its assessment.
7. You may not implement at any participating NHS organisation in England that declines to implement the amendment.
