Thank you for submitting an amendment to your project. We have now categorised your amendment and please find this, as well as other relevant information, in the table above.

What should I do next?

If you have participating NHS/HSC organisations in any other UK nations that are affected by this amendment **we will** forward the information to the relevant national coordinating function(s).

You should now inform participating NHS/HSC organisations of the amendment.

- For NHS organisations in England, this notification should include the [NHS R&D Office](#), [LCRN](#) (where applicable) as well as the local research team.

When can I implement this amendment?

You may implement this amendment **as soon as any relevant regulatory approvals are in place**. For participating NHS organisations in England this includes receiving HRA Approval for the amendment – you should receive a separate notification confirming this, and is applicable for participating English NHS organisations only.

Please note that you may only implement changes described in the amendment notice.

Who should I contact if I have further questions about this amendment?

If you have any questions about this amendment please contact the relevant national coordinating centre for advice:

- England – hra.amendments@nhs.net
- Northern Ireland – research.gateway@hscni.net
- Scotland – nhsq.NRSPCC@nhs.net
- Wales – research-permissions@wales.nhs.uk

Additional information on the management of amendments can be found in the [IRAS guidance](#).

Please do not hesitate to contact me if you require further information.
